He has said that his name will not applies in the word primaries. Our pre- Insist and demand vious experience has taught us that such statements as this from the Mayor cannot be depended upon. We believe if the Mayor should discover at alx o'clock Friday night that by reusen of his statement the Republicans were not going to make any particular effort to get to the primaries, on the assumption that there was to be no contest, he would be in those primaries at half-past sixe to capture the regular numination.

The only safety rests in a full attendance of Republicans to-night. Get out every voter, and all those who can do so should be at the different polling places promptly at half-part air in order to participate in the organization of the primaries. The polls will be kept open until eight o'clock. The Republicans owe it to themselves, to the party and to Dr. Robleson who has consented to make the run for them this year, to be on hand to-night. We hope to see an earnest rivalry in the several wards in getting out the largest possible Republican

Thin people are thin because, the food This people are this because, the food they cat is not abord of. Reasons, either wrong food or right food undigested.

Fat, olds and glosse will not make any one fat! [Inle is because, they have indigested.] This people find it bard to digest their food. Fatty foods make to attitionaler.

Have you ever noticed that almost without exception, this, pale, dyspeptle, ancount people have an averation to fat? This is of itself proof coopyfil that such, foods are bad for them.

Let your relate tell you wight to cat. We have some of the finest you ever tasted. Let you relate tell you what to cat. Nature immke every few mistakes and we should liste to what the easy. It is put up in sealed bottles and cans. Have you tried it?

We also have "Auker's Bouillon Capsules" the weaks toward the weaks toward it let be too weak storaged in the letter of the containing pure extract of beef. Give these a trial.

Many a man fails in business because of this physical inability to attend to it properly. When a man wakes up and looks quarrely at himself, and his affairs he will break off those habits that weaken his body and prevent him from pushing his plans to a successful issue.

Louacco and coffee seem so harmless that a man feels they cannot hurt him servicely, and for that reason stleks to them day after day untillnis nerves give them day after day untillnis nerves give the control of the property.
